

## THIS EXTRA WEAR SAVES YOU SHOE MONEY

"I find Neolin Soles superior in every way to other soles. They are flexible, tough and waterproof. In the future I shall put nothing but Neolin-soled shoes."

A. G. Aldrich, of Springfield, Mass., who makes this statement tested Neolin Soles by having a pair of worn shoes re-soled with them. "They have already worn one month longer than the soles I used to wear," says Mr. Aldrich, "and will be good for at least three months more."

An easy way to try out Neolin Soles. Have them put on your worn shoes. See for yourself how long they last—and why they are a real economy. Or, get them on new shoes, which come in many styles for every member of the family. Neolin Soles are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear all other heels.

Done with world's vexations, done with its tears and toil;

Tired of all earth's playthings, heart-sick and ready to sleep;

Ready to bid our friends farewell, wondering why they weep;

A Single Application

Banishes Every Hair

(The Modern Beauty.)

Here is how any woman can easily and quickly remove objectionable, hairy growths without possible injury to the skin: Make a paste with some powdered delatone and water, apply to hairy surface and after two or three minutes rub off, wash the skin, and the hairs are gone. This is a painless, inexpensive method and, excepting where the growth is unusually thick, a single application is enough. You should, however, be careful to get genuine delatone.—Adv.

## People Constipated and Don't Know It!

It seems odd, but it is true, that you may be constipated and not know it. You can see why it is. Take a glass and pour in water until full. If you keep on pouring in water after the glass is full, it will run over, but the glass stays full.

Just so with your bowels; they get full of waste matter, and then they pass off or expel from the body only about the same amount that you take in in the form of food.

So you may have a movement of the bowels every day and yet there will remain waste matter that ought to be removed.

Give your bowels a gentle but thorough cleaning out and you'll feel great.

A fine prescription for this is put out and sold under the name of Dr. True's Elixir. Doctors and druggists use it in their own families. Costs but little and brings health to new, weak and children. Sweet and pleasant tasting. Works gently. Children like it. Remember the name, Dr. True's Elixir.—Adv.

ALL LOUD IN THEIR PRAISE OF "NEUTRONE PRESCRIPTION 99"

A working man buying a bottle of "Neutrone Prescription 99" was asked how it was helping him.

"Helping me," he replied. "Why, there is nothing on earth like it. You don't know how my poor swollen, stiff joints and muscles pained and burned. I was nearly crazy with suffering and the worry of losing so much time and pay."

Before I knew about Neutrone Prescription 99 I tried all kinds of tablets and liniments, but one bottle of Neutrone Prescription 99 helped me so much that I am never without it now. All pain and swelling is gone and I feel like a new man."

Neutrone Prescription 99 certainly must be a wonder. The druggist replied like it, they all say the same."
